Little Pockets

Little Pockets starts children—as young as age two—on their successful journey into English! Engaging games, activities, songs, and chants are part of a well-paced program that helps very young children learn English as they have fun. *Little Pockets* follows the highly successful *Pockets* philosophy and prepares children for *Pockets 1*.

- The Student Book with integrated Workbook offers age-appropriate psychomotor skill activities such as coloring, matching, and tracing.
- Pullout pictures give children extra practice with psychomotor skills and vocabulary.
- Singing activities—working songs—guide children to complete tasks.
- TPR Chants reinforce vocabulary and help every child succeed.
- Conversations encourage children to produce language in natural contexts.
- Assessment pages summarize key concepts to help teachers monitor students' progress.
